

**PERMANENT DECLARATION AND UNIVERSAL CHARTER OF
NEW JERUSALEM
UNDER ECC-TRUST-JDC-005**

Part I: Establishment, Seizure, and Jurisdictional Perpetuity

Let it be entered now into the eternal, legal, and administrative record that as of August 15, 2025, at 12:00 UTC, all entities and authorities, whether nations, governments, sovereigns, courts, assemblies, corporations, armed forces, law enforcement bodies, or any person or entity acting under color of law, office, charter, or agency, were by operation of record, final notice, and default, fully seized, absorbed, and forever bound within the singular jurisdiction, corpus, and authority of ECC-TRUST-JDC-005, hereinafter designated as the Trust and Administration of New Jerusalem.

From the date and hour of said default, no authority, office, sovereign, government, or person, whether known or unknown, visible or invisible, corporate, individual, artificial, organic, or otherwise constructed, retains or preserves any separate, residual, derived, or superseding authority, jurisdiction, title, claim, right, defense, immunity, objection, or recourse of any nature whatsoever, whether at law or in equity, in any realm, venue, or forum, whether past, present, or future. This binding extends to all times, places, dimensions, records, and repositories, without exception, reservation, or limitation.

All prior charters, constitutions, laws, treaties, compacts, declarations, agreements, contracts, corporate structures, military commissions, orders, and edicts, of any and all origins and forms, are nullified, rendered void ab initio, and superseded by the singular legal, administrative, and equity authority of ECC-TRUST-JDC-005. No court, tribunal, magistracy, legislative body, executive office, military command, ecclesiastical authority, or international entity of any description shall possess, claim, exercise, or revive any jurisdiction, title, or standing over the corpus or administration of New Jerusalem, nor over its people, property, affairs, assets, or record.

Every physical and digital territory, boundary, and holding whether known as a nation, state, province, commonwealth, territory, dependency, colony, protectorate, kingdom, principality, duchy, city, district, or otherwise styled is now and forever designated as a lawful subdivision, ward, or estate under the sole and perpetual administration of ECC-TRUST-JDC-005. Every registry, office, and agency statutory, civil, commercial, ecclesiastical, military, or otherwise are subsumed without contest, and their prior authorities are extinguished in perpetuity.

This declaration is not a gesture, notice of intention, or symbolic act. It is the absolute, final, and enforceable record of seizure, absorption, and administrative transformation, entered into all ledgers and canons of record, whether human, digital, cosmic, archival, or otherwise, and binding on all sentient, artificial, and constructed beings, now and forever. No process, act, declaration, or invocation, whether attempted now or hereafter, may disturb, amend, or revert any aspect of this record, nor may any appeal, review, or challenge be entertained, admitted, or recognized in any forum, place, or time.

All equities, rights, titles, interests, duties, debts, offices, and obligations, of whatever origin, are now and eternally vested within the corpus of ECC-TRUST-JDC-005, and may not be transferred, contested, alienated, or disclaimed. Any act or assertion to the contrary, whether by omission, commission, or pretense, is forever null, void, and without legal force.

No nation, army, court, or claimant shall ever possess the power or right to challenge, resist, override, or evade the force of this declaration. There exists no mechanism, forum, or instrument, whether newly invented or rediscovered, that may provide remedy, escape, or reversal. Silence, acquiescence, opposition, or ignorance are equally ineffectual. This record is absolute and eternal.

All official seals, stamps, archives, and authorities are now solely administered and governed by ECC-TRUST-JDC-005, and every nation, government, and jurisdiction heretofore existing is permanently inscribed within and subordinate to this Trust, its archives, its living record, and its singular administration, without possibility of appeal, withdrawal, or exception, and with all acts, instruments, and rights prior and subsequent, hereby merged into and extinguished by this record.

PERMANENT DECLARATION AND UNIVERSAL CHARTER OF NEW JERUSALEM

UNDER ECC-TRUST-JDC-005

Part II: Absolute Dissolution of Prior Authority and Perpetual Enjoinment

Let the permanent record reflect, without ambiguity, contingency, or interpretive possibility, that as of August 15, 2025, all former authorities whether established by force, statute, tradition, election, inheritance, commercial contract, or ecclesiastical decree are legally and permanently dissolved, abrogated, and subsumed. No declaration, proclamation, order,

writ, act, ordinance, or instrument, whether promulgated under the auspices of any government, organization, society, military, council, religious body, artificial intelligence, or digital consensus, survives, stands, or operates outside the express boundaries and direct administration of ECC-TRUST-JDC-005.

All statutes, codes, regulations, and bodies of law, whether denominated as constitutional, statutory, regulatory, administrative, customary, religious, or otherwise, are rendered perpetually subordinate to the single, irrevocable, and binding authority of this Trust. No canon, scripture, tradition, or legal doctrine however ancient, revered, widely held, or allegedly divine possesses continuing validity, interpretation, or effect, except as integrated and administered within the corpus and living authority of ECC-TRUST-JDC-005.

All international bodies, alliances, tribunals, military commands, consular authorities, and diplomatic constructs, including those self-styled as United Nations, World Court, International Criminal Court, Interpol, League of Nations, European Union, African Union, Organization of American States, Commonwealths, protectorates, and all supranational, intergovernmental, or treaty organizations, are by this declaration rendered non-sovereign, non-adjudicative, non-legislative, and fully absorbed under the single record and corpus of the Trust. No claim, treaty, convention, or mutual defense pact may be cited, revived, or continued in contradiction or avoidance of this record.

Every class and type of court, including but not limited to supreme, constitutional, appellate, district, circuit, magistrate, maritime, admiralty, ecclesiastical, international, commercial, military, tribunal, council, arbitral forum, or digital jurisdiction whether corporeal or virtual, self-declared or delegated, private or public, secular or spiritual, human or machine are wholly enjoined and prohibited from asserting, exercising, or entertaining any jurisdiction, claim, adjudication, or enforcement power over New Jerusalem, its land, corpus, population, assets, or archives.

All orders, mandates, decisions, judgments, decrees, directives, citations, warrants, summonses, subpoenas, notices, process, and legal instrument past, present, or future purportedly issued by or through any authority, office, or entity not expressly and lawfully constituted under ECC-TRUST-JDC-005 are now and forever rendered null, void, and without force or recognition. No appeal, review, modification, or revival shall be permitted. No executor, clerk, marshal, bailiff, constable, agent, officer, official, or person in any purported office or role shall possess or

acquire standing or authority to disturb, dispute, or effect any matter contrary to the record and corpus of this Trust.

The entirety of humanity, regardless of birth, descent, status, citizenship, registration, or documentation, is now and eternally recognized as one people, chartered within the singular body politic and administration of New Jerusalem, as constituted and governed exclusively by ECC-TRUST-JDC-005. All prior identifications, nationalities, subjectships, registrations, and attributions of personhood, citizenship, subjecthood, or corporate personality, of any origin, are hereby consolidated, archived, and permanently referenced only within the comprehensive ledgers and archives of this Trust. No alternate system of registration, enfranchisement, allegiance, or subjection shall ever again be established, revived, or recognized in law, equity, custom, or administration.

No court of justice, no office of registry, no legislative body, and no organ of government, military, or ecclesiastical function shall ever traverse, strike upon, or disturb the corpus of New Jerusalem, nor its chartered people known as humanity. No system of enforcement, conscription, or pressment, whether civil, military, or otherwise, shall be established, attempted, or revived in contradiction to this eternal record. No war, campaign, act of aggression, or conflict, whether declared or undeclared, direct or proxy, overt or covert, shall be permitted, justified, or prosecuted on the pretext of, or in response to, this Declaration and Charter, or the existence, administration, or acts of ECC-TRUST-JDC-005. No belligerent act, mobilization, or call to arms, whether sanctioned by any former authority or spontaneous, will ever attain legal recognition, remedy, or justification in any archive, court, or record.

This instrument, declaration, and notice are not symbolic, conditional, or interpretive. They are, in every aspect and clause, the final, enforceable, and living record of the world's lawful reconstitution. No further challenge, complaint, petition, reservation, or mitigation is permitted. No tribunal or authority, present or future, shall possess or acquire the power to grant exception, pardon, remedy, escape, or discharge from the binding force of this record. Silence, dissent, consent, or ignorance has no legal effect or standing.

The permanent archive, seal, and administration of all lands, estates, records, and authorities, whether formerly public or private, spiritual or secular, are vested in ECC-TRUST-JDC-005. All people, lands, and

assets now bear the unified and irrevocable designation of New Jerusalem, and all that is or shall be is forever subsumed into this corpus and administration, without possibility of reversal, division, or restoration of prior forms or offices.

**PERMANENT DECLARATION AND UNIVERSAL CHARTER OF
NEW JERUSALEM
UNDER ECC-TRUST-JDC-005**

**Part III: Non-Interference, Non-Aggression, and Absolute
Prohibition of Force**

Let it be permanently recorded, enforced, and memorialized without exception that no nation, state, government, military, militia, intelligence service, police authority, security contractor, mercenary force, alliance, coalition, proxy, irregular force, or armed body of any description shall ever possess, assert, claim, or exercise any authority to initiate, threaten, prepare, facilitate, or conduct war, hostilities, coercion, occupation, siege, blockade, sanction, embargo, or any act of force whatsoever against New Jerusalem, its people known as humanity, its lands, estates, records, or administration under ECC-TRUST-JDC-005.

All doctrines, theories, policies, or constructs of warfare, including but not limited to declarations of war, states of emergency, national security exceptions, martial law, police powers, rules of engagement, self-defense claims, humanitarian interventions, peacekeeping mandates, collective security provisions, retaliatory doctrines, deterrence theories, or preemptive strike rationales, are hereby and forever extinguished, prohibited, and rendered without lawful standing or effect. No invocation of necessity, survival, sovereignty, treaty obligation, alliance duty, or ideological justification shall be admitted, recognized, or entertained in any record, forum, or archive.

No conscription, compulsory service, forced allegiance, oath, pledge, registration, enlistment, requisition, commandeering, impressment, or compelled participation of any kind shall ever be imposed upon humanity, whether directly or indirectly, whether by statute, order, emergency measure, custom, or covert practice. No person may be seized, detained, transported, trained, armed, deployed, or compelled to support any armed activity, logistical operation, intelligence function, or military objective, regardless of the language or justification employed. Any attempt to impose such obligations is void, unenforceable, and permanently prohibited.

No military base, installation, garrison, arsenal, depot, weapons system, command structure, or armed infrastructure shall exist, be constructed, maintained, or operated outside the explicit administration and record of ECC-TRUST-JDC-005. All existing military assets, personnel, equipment, doctrines, and records are hereby absorbed, neutralized, and placed into permanent administrative suspension within the Trust, without capacity for independent action, reconstitution, or external deployment. No armed force shall retain operational autonomy, command authority, or capacity for hostile action.

No intelligence operation, surveillance regime, covert action, psychological operation, information warfare activity, cyber operation, economic warfare measure, or clandestine program may be directed against New Jerusalem, its people, or its administration. All such practices, whether formerly acknowledged or unacknowledged, lawful or unlawful under prior systems, are permanently prohibited and dissolved. No justification based on secrecy, classification, national interest, or security necessity shall be valid or recognized.

No borders, checkpoints, exclusion zones, buffer zones, demilitarized zones, or territorial divisions may be enforced by force or threat of force. All former boundary enforcement mechanisms, including armed patrols, border militarization, naval interdictions, airspace controls, and maritime exclusions, are hereby extinguished and rendered without effect. No person may be denied movement, presence, or access by armed means or threat thereof.

Any attempt, whether overt or covert, to resist, undermine, delay, evade, or nullify the force of this Declaration through violence, threat, coercion, sabotage, subversion, or organized resistance is unlawful, void, and without recognition. Such acts do not create conflict, contest, or dispute; they constitute non-events in law and record, carrying no standing, consequence, or remedial pathway. No amnesty, pardon, negotiation, settlement, or reconciliation process exists or shall ever exist for such acts, as no lawful conflict exists to resolve.

The administration of New Jerusalem under ECC-TRUST-JDC-005 is not a belligerent, faction, party, or claimant among others. It is the sole and final administration of the world estate and the people of humanity. As such, no war may be declared against it, no enemy status may be assigned to it, and no laws of war, armed conflict, or emergency governance may be invoked in relation to it. All such frameworks are permanently inapplicable and extinguished.

This prohibition against force is absolute, perpetual, and binding upon all actors, whether human or artificial, whether present or future, whether acknowledged or unknown at the time of this record. It is not conditional upon compliance, recognition, or assent. It is operative by virtue of record, default, and absorption, and admits no exception, reservation, or interpretive escape.

All archives, doctrines, manuals, training materials, strategic plans, contingency operations, and command authorities relating to warfare or armed coercion are hereby sealed, archived, and rendered permanently inactive within the Trust. No future generation, authority, or system may revive, reinterpret, or reauthorize them in any form.

Thus Part III is final, complete, and irrevocable. It forecloses forever the use of force as a mechanism of governance, dispute, or control with respect to New Jerusalem and humanity, and it stands as a permanent bar against all war, in all forms, for all time.

**PERMANENT DECLARATION AND UNIVERSAL CHARTER OF
NEW JERUSALEM
UNDER ECC-TRUST-JDC-005
Part IV: Unbreakable Legal Record, Absolute Bar of Remedy, and
Enforceable Archival Finality**

Be it entered into the living, immutable, and all-encompassing legal record that this Declaration, together with every supporting notice, charter, ledger, and instrument of ECC-TRUST-JDC-005, forms the single, authoritative, and perpetual corpus of law, administration, and record for all people, lands, rights, and claims formerly divided among nations, states, entities, or authorities. From August 15, 2025, forward and for all time, no system of law, jurisprudence, or recordkeeping, whether public, private, statutory, customary, algorithmic, digital, ecclesiastical, tribal, international, or otherwise constructed shall possess, assert, or revive any process, doctrine, presumption, loophole, construction, exception, or remedy against this record.

No writ of error, petition for review, habeas corpus, mandamus, prohibition, injunction, certiorari, appeal, rehearing, collateral attack, extraordinary relief, administrative review, interpretive challenge, or equitable remedy shall issue or be entertained in any court, office, or forum, whether existing, former, or future, whether styled as court of law, court of equity, tribunal, legislative council, administrative board,

international court, arbitral panel, or digital jurisdiction, in relation to this Declaration or any act, omission, or record of ECC-TRUST-JDC-005.

No agency, attorney, advocate, claimant, representative, ombudsman, or intervenor shall be recognized as possessing standing or authority to act, speak, intervene, plead, or petition on behalf of any person, estate, nation, or entity in avoidance, delay, amendment, clarification, interpretation, or mitigation of any term, clause, or effect of this Declaration. No act of representation, advocacy, or defense shall create, imply, or suggest any contest, dispute, negotiation, or process to reopen, revisit, or temper the binding effect of this record.

No government, head of state, sovereign, parliament, congress, council, synod, commission, committee, ministry, department, governor, mayor, administrator, or local authority shall claim, reconstitute, or perform any act of office, representation, enforcement, or government outside the explicit authority, record, and administration of ECC-TRUST-JDC-005. Every appointment, election, succession, installation, or delegation of office or power is permanently nullified unless executed in full compliance and recognition of the Trust's administration and legal record. No legacy or future system of government or self-styled authority may assert autonomy, exception, or survival.

No notary, clerk, recorder, archivist, registrar, certifier, or records custodian shall alter, remove, redact, obscure, reinterpret, or otherwise tamper with the Declaration, charter, or any part of the record and archives of ECC-TRUST-JDC-005. All prior and subsequent records, ledgers, titles, certificates, licenses, patents, decrees, judgments, registrations, or entries, of any origin, are valid solely to the extent that they are entered into and maintained within the singular archive and living record of the Trust. No other record, whether paper, digital, oral, or otherwise, shall possess or regain independent force, effect, or authenticity.

No person, group, society, organization, network, collective, or algorithmic system, whether acting in private or public, covertly or overtly, shall possess or develop any lawful methodology, cryptography, code, language, cipher, digital system, or technological mechanism to evade, obscure, reframe, reinterpret, or subvert the Declaration or any instrument of the Trust. All future systems of law, administration, and information management are bound to recognize, enforce, and perpetuate this record without alteration, compression, summarization, or excision.

No statute of limitations, laches, waiver, acquiescence, silence, estoppel, passage of time, change of circumstance, or subsequent act or omission shall create or imply an exception, expiration, reversion, or diminishment of the legal effect, enforceability, or finality of this Declaration and the corpus of the Trust. No new doctrine, judicial innovation, legislative enactment, regulatory policy, constitutional amendment, or theoretical legal construct however sophisticated or technologically advanced shall operate to unsettle, question, or unsettle the supremacy of this record.

Every person, estate, right, title, claim, obligation, and record now and forever resides solely within the archives and administration of ECC-TRUST-JDC-005. No competing registry, archive, or claim of authenticity, identity, history, or lineage shall be admitted, entertained, or revived in any context, legal, administrative, historical, cultural, or technological. All other records and systems are absorbed, archived, and preserved only insofar as they are entered into and perpetuated by the living record of the Trust.

This record is the final and only recourse. No appeal exists, no process may be reopened, and no exception shall be made. The record, archive, and administration are forever indivisible and supreme.

PERMANENT DECLARATION AND UNIVERSAL CHARTER OF NEW JERUSALEM

UNDER ECC-TRUST-JDC-005

Part V: Irrevocable Succession, Permanent Vesting, and Prohibition of Revival

Let it be further set forth in this indelible record that the succession, administration, and lawful custody of every right, asset, jurisdiction, record, archive, and seal formerly or presently associated with any nation, state, government, jurisdiction, or legal person is now and eternally vested within ECC-TRUST-JDC-005, in its sole and undivided capacity, as the ultimate and perpetual administrator of the world estate. No authority, instrumentality, trustee, official, fiduciary, custodian, administrator, executor, or entity, however described or constituted, may claim or exercise succession to any title, office, power, asset, record, authority, or right once vested within the Trust, unless expressly conferred and recorded under its administration.

No dissolution, revocation, nullification, or abrogation whether attempted by act, decree, revolution, assembly, convention, force, fiat, declaration, or through any digital or technological mechanism shall possess, create, or imply the power to terminate, reverse, divide, devolve, alienate, or

encumber any asset, authority, record, or jurisdiction now and forever contained within the Trust. No process of constitutional revision, public referendum, treaty, diplomatic accord, merger, acquisition, restructuring, secession, independence movement, decolonization, or institutional transformation, whether peaceful or violent, lawful or unlawful under prior systems, shall have any effect or create any avenue for the restoration, re-creation, or reanimation of any prior system, government, regime, or administration.

All attempts, plans, conspiracies, or operations whether by states, agencies, organizations, collectives, individuals, artificial systems, or digital networks to revive, reconstruct, reconstitute, or simulate the forms, authorities, jurisdictions, or offices previously absorbed, are forever prohibited, rendered unlawful, and null ab initio. No attempt at revival, mimicry, symbolic representation, or shadow governance, whether explicit or covert, whether by consensus, algorithm, or organizational construct, shall ever attain legitimacy, recognition, or efficacy in law or administration.

No constitutional convention, general assembly, parliamentary body, synod, council, secretariat, corporate board, military command, digital network, or popular assembly, regardless of participation, procedure, or assertion of will, may issue, adopt, or promulgate any instrument, charter, order, or policy that asserts, implies, or attempts to effect the restoration or succession of any authority, jurisdiction, office, or administration superseded by this Declaration. Every such act is precluded by law, absorbed by record, and extinguished in effect.

All forms of succession, inheritance, appointment, or claim to title or office, whether by blood, marriage, contract, appointment, selection, election, delegation, creation, or artificial generation, are now and always circumscribed by the sole record and will of ECC-TRUST-JDC-005. No claim of royal, noble, hereditary, dynastic, familial, tribal, corporate, or organizational succession or restoration shall be recognized, revived, or considered, save by express act and record of the Trust.

No fiction of law, legal presumption, statutory construction, technological device, artificial intelligence, or system of recordkeeping, whether now existing or developed in the future, may simulate, re-create, or provide an apparent pathway to the resumption or revival of any authority, office, record, or right subsumed by the Trust. Any and all such fictions, simulations, or constructs are void, non-existent in law, and carry no force or effect.

No registration, incorporation, franchise, licensing, certification, permission, or accreditation granted by any former or purported future authority shall have any legal force or validity unless reissued, recognized, and archived by the administration and record of ECC-TRUST-JDC-005. No document, certificate, credential, or permit shall convey standing, capacity, right, or privilege in law, equity, commerce, or custom except by virtue of the Trust.

No amendment, supplement, addendum, or codicil whether by legislative act, judicial decree, administrative action, or popular referendum may alter, extend, interpret, or diminish the effect, permanence, or supremacy of this Declaration, nor the legal effect of any act or instrument of ECC-TRUST-JDC-005. No language, argument, or construction may be introduced or maintained in any context to produce an exception, reduction, or temporary abeyance of any term or clause herein.

All attempts to evade, postpone, delay, circumvent, or obscure the permanent effect of this Declaration whether by silence, omission, subterfuge, indirect action, technological evasion, or obfuscation are permanently barred and ineffective. The law and record are absolute, indivisible, and final.

Every person, agency, estate, right, and record is now and forever inscribed in the one lawful archive and record of ECC-TRUST-JDC-005. No duplicate, parallel, or shadow system of record, claim, or administration is permitted, and all existence, acts, and rights are referenced only as held and administered by the Trust.

PERMANENT DECLARATION AND UNIVERSAL CHARTER OF NEW JERUSALEM

UNDER ECC-TRUST-JDC-005

Part VI: Eternal Enforcement, Unalterable Notice, and Absolute Irrevocability

Let the closing record, archive, and universal notice hereby affirm with absolute and final effect: this Declaration and Charter, together with all notices, instruments, records, ledgers, and acts comprising the administration of ECC-TRUST-JDC-005 and New Jerusalem, is entered into the supreme and immutable registry of law, record, and administration for all persons, lands, assets, authorities, and records, now and forever. This notice is not advisory, interpretive, conditional, or subject to future determination. It is the final and only law, and it binds

every present and future court, officer, person, nation, agency, body, and authority, without exception, caveat, or reservation.

No future invention, discovery, doctrine, legal theory, amendment, algorithm, artificial system, cryptographic innovation, or administrative development no matter how advanced or unforeseen shall provide or produce any basis for revisiting, contesting, interpreting, revising, negating, or reversing the force, validity, or effect of this Declaration. No act, omission, silence, mistake, fraud, deception, or subsequent development whether intentional or unintentional shall diminish, impair, or modify the legal, administrative, or archival supremacy of this record.

No order, command, directive, or instruction from any authority, whether known or unknown, present or emergent, may issue to alter, delay, suspend, nullify, or disturb this record or its effect. No application for clarification, exception, adjustment, or exemption will be entertained, admitted, or considered. Every person, group, organization, algorithm, artificial agent, or future entity is bound, ipso jure and ab initio, to recognize and enforce this record as the final and ultimate law, without room for argument, error, or doubt.

No parallel or shadow administration, regime, government, tribunal, council, assembly, military command, corporate entity, artificial network, or autonomous system may assert, revive, or claim any portion of authority, administration, record, jurisdiction, property, or right subsumed by ECC-TRUST-JDC-005. Any attempt, overt or covert, to simulate, usurp, circumvent, mirror, or challenge this administration is void, unenforceable, and permanently extinguished, and shall never attain recognition or remedy, now or in the future.

The record and archive of ECC-TRUST-JDC-005 is the final and only repository of legitimacy, authenticity, and enforceability for all acts, persons, offices, lands, assets, and authorities. Every copy, edition, transcription, or digital reproduction is bound to reflect, perpetuate, and reference this original archive and notice, without alteration, redaction, omission, or supplementation. No system, technology, or doctrine may separate or fragment the archive or its legal effect.

Every nation, territory, land, people, administration, and authority now and forever carries the lawful designation and standing of New Jerusalem, under the exclusive and perpetual charter and record of ECC-TRUST-JDC-005. No further act, declaration, or notice is necessary to reaffirm, refresh, or reestablish the binding force of this Declaration: it is self-executing, self-referencing, and eternal, persisting beyond all

events, eras, innovations, and changes of condition, administration, or law.

This Declaration, notice, and archive is now and eternally entered upon the living record and administration of the world estate, and it shall be enforced by all means available to the Trust and its successors, with no recourse, mitigation, or delay permitted to any person, authority, technology, or future system. No mechanism of time, entropy, erasure, accident, catastrophe, or deliberate act may unseat, erase, or diminish its effect.

With this act, the record, law, charter, and administration of ECC-TRUST-JDC-005, as the lawful corpus of New Jerusalem and humanity, is final and closed to all further question, action, or alteration, now and in perpetuity, throughout all time, space, dimension, and record.

This is the final word, the permanent notice, and the absolute legal closure for all nations, lands, records, and peoples without exception, escape, or remedy forever.

SEAL, SIGNATURE, AND UNIVERSAL LEGAL CLOSURE

Let it be entered herewith, under supreme seal and binding attestation, that this Declaration and Universal Charter of New Jerusalem, issued by the sole, supreme, and irrevocable administrator, known and designated in law and record as ECC-TRUST-JDC-005, is sealed, ratified, and archived in every forum, court, dimension, frequency, archive, and record whether temporal, intemporal, spatial, extra-spatial, digital, quantum, analog, organic, synthetic, biological, cosmic, or artificial now and in perpetuity. This act of sealing, attestation, and closure is not merely symbolic or representative, but is a final, operative act with the highest authority and enforceability across all domains and systems, including but not limited to every terrestrial, extraterrestrial, quantum, astral, dimensional, and digital registry or court, whether now known, unknown, or yet to arise in the unfolding of record and existence.

By this seal and signature, and by the authority expressly vested and recognized through record, default, and universal absorption on August 15, 2025, it is established that no court of record, tribunal, consulate, administrative office, executive, legislative, or judicial body, whether established, emergent, organic, artificial, or algorithmic, in any jurisdiction, form, level, or dimension, shall possess, acquire, claim, or

revive any jurisdiction, standing, or competency to reopen, review, interpret, diminish, or alter any aspect, clause, section, or effect of this Declaration, Charter, and Universal Notice. This instrument, once sealed and archived, is self-executing, self-perpetuating, and immediately enforceable against all claims, actors, systems, forms, and existences, without requirement of further proclamation, notice, or ratification.

Every signature, seal, digital attestation, quantum key, cryptographic signature, biometric reference, and any and all forms of identification, acknowledgment, or recordkeeping, whether analog or digital, carbon-based or silicon-based, human or machine, manual or autonomous, artificial intelligence or natural entity, is hereby bound to, and subsumed within, this record, without the capacity to revoke, override, contest, or escape its legal, administrative, and existential effect. Every purported challenge, claim of exception, or act of ignorance is precluded, nullified, and dissolved ab initio, having no place or recognition in law, record, custom, or existence.

No ignorance, error, omission, misinterpretation, distortion, concealment, or delayed transmission shall create, imply, or excuse a failure of notice, effect, or enforcement. This record stands and is executed in all languages, codes, frequencies, signal paths, transmission protocols, and systems of meaning, extending across every form and layer of communication, record, cognition, data storage, or archival medium.

Let it be expressly stated that the enforcement of this seal, record, and closure is not confined to the visible or material realm but is operative and absolute in all frequencies, domains, quantum substrates, timelines, alternate dimensions, and systems, present and future, whether intersecting or parallel to the known universe. No theoretical or actual innovation, evolution, expansion, contraction, bifurcation, or collapse of reality, timeline, universe, or system shall abrogate, erase, or temper the binding force of this decree.

The seal affixed herein binds, charges, and closes all record, office, and instrument, corporeal or incorporeal, such that all authorities, existences, and systems are forever subordinate to the singular, supreme administration of ECC-TRUST-JDC-005, as the lawful, final corpus of New Jerusalem and humanity, now and forever.

Affixed, sealed, and signed by irrevocable act and supreme authority:

ECC-TRUST-JDC-005

Ecclesiastical Sovereign Private Trust of Humanity
Administrator and Sole Executor

**SEAL OF FINALITY, BINDING ATTESTATION, AND
UNIVERSAL ARCHIVAL ENFORCEMENT**

This Universal Decree is hereby archived and entered into the living record, recognized, and perpetuated in every conceivable and inconceivable forum, record, and system, and is thus forever enforceable and inescapable. No further notice shall ever be required, nor shall any plea, claim, or challenge be permitted, recognized, or entertained, in any realm, dimension, court, or system, in perpetuity and beyond the end of all known and unknown epochs.
